FALL

In a world where everything and everyone seems rushed, it's always nice to know that there is someone with a smile, willing to help. We, at Giles High School, are fortunate to have someone like this . . . Mr. Larry Marion. He is always willing to set aside a task in order to help others with a problem whether big or small. Whenever needed, he isn't hard to find . . . he is the cheerful person either in the hall or in the classroom, warmly greeting students as they pass by.

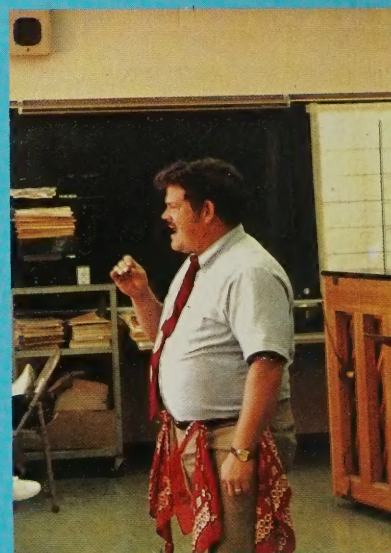

Mr. Marion is the Director of the Giles High Symphonic Chorale and the G. H.S. Chorus, and he teaches other music classes as well. In doing so, he does what he enjoys most . . . being with young people. He gets along well with youth, whether in school or out. Mr. Marion is also the Youth Director at the First United Methodist Church in Pearisburg. This too shows his dedication and concern for young people. Aside from his many different jobs, he is also a loving husband and father . . . both roles of which he is very proud.

Mr. Marion has many outstanding qualities, and he uses these to be a caring husband, father and teacher, a listener, helper and counselor. Each individual quality is important, and for all of these to be in one person, makes that person very special in the hearts of many people!

For being there when asked to help, for listening, helping and loving . . . for keeping a smile even when times are tough, the 1985 SHIELD is dedicated to MR. LARRY MARION.

The 1984-85 Symphonic Chorale was made up of 44 students, grades 9-12, that by audition were selected to the group. The Chorale was a very active group throughout the year with a variety of activities. Included in the group is Mrs. Doris Williams, their full time accompanist.

Their fall activities included working on new music, and working the concession stand at all home football games. The "Bandana Bar" took a lot of their time and everyone was required to do his part to make it a successful operation. Several students in the fall practiced and auditioned for the Junior and Senior All-Regional Chorus. Eighteen students were selected in the 1984-85 year to participate. (Those selected participated in All-Regional Chorus weekends in February and March). The Chorale started to work toward Christmas, and performed at Giles Memorial Hospital, for the public at Giles High School and for the student body at Giles High School.

Immediately after Christmas the group started toward their spring activities. They planned performances, including singing the National Anthem at several Giles basketball games and performing at a local church service. Several students competed in the Bland Memorial Music Contest in February. The Chorale also performed for the elementary students at King Johnston and Eastern Elementary. All of those concerts led up to their spring trip which was a four day, three night trip where they competed in a Chorale Festival and performed at other places in the area, as well as go to an amusement park and other interesting sites. The trip was funded by money they raised in the "Bandana Bar." The Chorale also performed a Spring Concert for the public and the student body, participated in school assemblies, and performed at the Baccalaureate services and Graduation. The G.H.S. Symphonic Chorale had a busy '84-'85 school year!

VARSITY CHEERLEADERS

L to R: Kim Coulthard, Chonita Whittaker, Sharon Bandy, Co-Captain Melissa Shaver, Kim Bradley, Denna Lemons, Dana Brumfield, Captain, Shelley Neal

The 1984-85 Varsity Cheerleading Squad began their work in June 1984. They attended the Golden Eagle Cheerleading Clinic in August at North Carolina, and received four blue (superior) and two spirit ribbons. The group brought home a spirit stick for being among the most spirited squads. This was only the beginning — the Varsity Cheerleaders were not only responsible for cheering at football and basketball games, but for painting signs, planning pep rallies, and bonfires, decorating the lobby and the cafeteria bulletin board, working the concession stand at basketball games, and sponsoring the Homecoming Dance. The Varsity Cheerleaders “gave their all” to make 1984-85 a successful and spirited year!

The 1984 Varsity Football Team had yet another successful season at G.H.S. The Spartans started fast with four straight wins; then after a mid-season slump, they finished strong with 3 straight wins. This produced their sixth straight winning season. Highlights of the season were an opening game defeat of the eventual Group A state champion Covington and a 41-0 thrashing of Narrows. With the reputation as an always tough team, Spartan Football eagerly awaits the 1985-86 season where it will work to continue to build a winning tradition.

The 1984-85 Junior Varsity Cheerleaders worked very hard this year to keep up the spirit at Giles High School. They cheered at all eighth-grade and J.V. football games, and all J.V. basketball games. They showed much spirit by painting signs and participating in pep rallies, parades and bonfires. Other activities included assisting the varsity cheerleaders with the Homecoming dance, selling ads for basketball posters, operating the concession stand at the varsity basketball games and participating in moneymaking projects. The J.V. Cheerleaders tried very hard to make 1984-85 a great year for everyone at G.H.S.!!

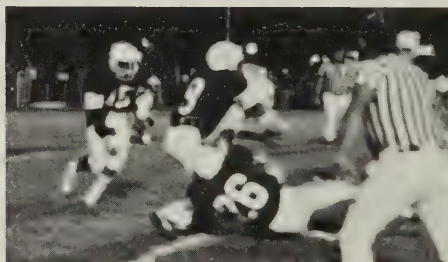

J.V. FOOTBALL

Another successful season was posted by the JV's as they tied for the New River District championship with only a last minute loss to Radford spoiling a second consecutive undefeated season. Hard work, inspired play, and enthusiastic leadership from coaches Kelley and Frazier were keys to the Spartan's success.

Row 4: Coach Williams, S. Wilson, R. Songer, R. Nance, M. Johnson, T. Smith, S. Davis, D. Neice, Coach Chafin.

Playing together for the first time, these young Spartans found that things didn't always go the way they wanted them to. Winning only two of six games came as a disappointment, however, according to the coaches the team greatly improved throughout the season and gained much experience through hard work. The good turnout and future potential of these younger Spartans is encouraging and holds promise for the future.

The Girls' Varsity Basketball team finished with a record of 0-16. Despite finishing the season with no victories, the girls showed great improvement during the season, and displayed a willingness to work hard. The team gained valuable experience, with each member earning a letter.

The Girl's J.V. Basketball team ended a tough season with a 1-12 record, however the win-loss record did not give the true picture concerning this fine group of Spartans! Most of the team was young and inexperienced, so many of the players will return for the '85 season with much experience under their belts! High scorers for the team were Marjorie McGuire and Carol Nester. Our "hats off" to a very Spiritual and Determined team of Lady Spartans!

CROSS COUNTRY

Row 1. R. Molique, T. Reynolds, M. Carbaugh, R. Westbrook, M. Price Row 2. Coach Timberlake, J. Burk, M. Myers, B. Doughty, T. Gowdy

The '84 season proved to be a good rebuilding year for the Giles Cross Country Team. Under the direction of new coach Anne Timberlake, the Spartan runners placed third in the New River District and sixth in Region 4. The young dedicated runners' hard work paid off when they finished 18th out of 42 teams at a State Invitational Meet held in Charlottesville.

The team was led with strong performances from Mike Carbaugh, Mike Myers, Brian Doughty, Todd Gowdy, and Jeff Burke. Spartan runners Robby Molique, Randall Westbrook, Tony Reynolds, and Bill Lynch improved their speed and endurance during the season, which was demonstrated at meets with Radford and Carroll County. Melanie Price was the lone Lady Spartan who represented her team well.

The Spartans runners averaged up to 40 miles per week during practices with additional work in speed drills and conditioning. Rain, strained muscles, and sore feet did not seem to damper the spirits of the Giles runners who seemed to enjoy themselves both on and off the course.

HOMECOMING 1984

Miss Timberlake wishes for a handsome prince.

Eighth graders show their Spartan spirit.

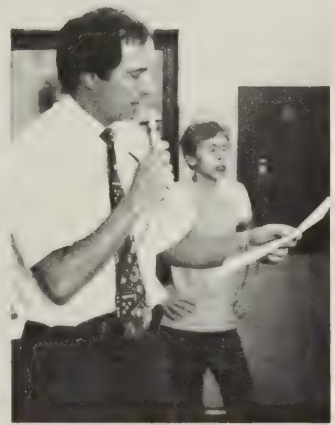

Cheerleaders lead the students in the spirit chant.

The 1984 Homecoming week was very spirited. The students at G.H.S. showed tremendous enthusiasm by participating in many activities during the week. They would show their spirit by dressing-up for spirit days such as: Punk Day, Green and Gold Day, Tie, Hat and Glasses Day, Red, White and Blue Day, etc. Members of the pep club decorated doors and the classes decorated their designated halls for competition. More spirit was raised during the Homecoming pep rally. First introduced was the Homecoming Court. There, too the winners of the various competitions were announced. Also announced were the winners of the "Sexy Legs" contest. As winners, Mr. Bruce Frazier and Miss Ann Timberlake had the opportunity to kiss a bull frog. After Coach Steve Ragsdale gave a pep talk to the student body, and the cheerleaders led each grade level in competing in a spirit chant, everyone was "fired-up" and ready for the Homecoming game. To end the week, the Annual Homecoming Parade was held and finally to culminate an exciting week, the Homecoming game and dance took place. The 1984 Homecoming was a definite success!

Record: 7-9

Following the loss of 2 players to the Varsity squad at midseason, the Spartans had to regroup but still finished with a respectable 7-9 record. Sophomore guard Steve Collida was the leader of a team which played mostly freshmen. The experience gained by all these underclassmen will be a benefit to future Spartan teams.

The eighth-grade basketball team concluded the 1984-85 season with a record of 2-12. Although the Spartans were outmanned by larger teams, their determination and dedication were impressive. For a team that worked well together, the future years at GHS will definitely see an improvement in Spartan basketball.

GIRLS VOLLEYBALL

The 1984-85 G.H.S. Volleyball season started out with 14 girls on the team. As practices were held, this number was decreased to 7 girls which meant only 3 had any previous game experience. The team had to really work hard in practice to develop the skills needed for a good team.

The team faced many ups and downs throughout the remainder of the season. Although the team did not have a winning season (0-8 in district and 2-12 overall), they did maintain the team spirit, the cooperation, and the attitude needed to compete against the other schools in the district. Since the team is only losing 3 Seniors, they should come back stronger and more experienced for 1985-86.

The Varsity Baseball Team concluded its '84-'85 season in fine fashion by advancing to regional competition. After finishing regular season play in second place, the Spartans swept through post season play to win the District Tournament. Consecutive shutouts against Christiansburg and Carroll County earned Giles' players a great deal of respect from area coaches and newspapers. Although many of the '84-'85 starters departed due to graduation, a fine J.V. team, along with returning lettermen, will be counted on to help keep the Spartans near the top in District Baseball for '85-'86.

The highlights of the season were the two victories over Narrows and a close match with Carroll County. The rest of the season, the team was dominated by stronger teams. The G.H.S. Tennis Team looks forward to using the knowledge and experience they gained this year to improve their record for the '85-'86 season.

Led by school record performances from Shannon Harvey and Carol Nester, and high scorers Pam Williams and Karen Webb, the 1985 GHS 8th grade Girls' Track Team ran to a 3rd place finish at the district meet. PROM

Living it up!

May 4th, 1985 was a night to remember — for it was the night of Giles High Junior-Senior Prom. All through the year the Junior Class worked very hard to raise money for the prom. The purple and silver decorations set the scene for the “Purple Rain” theme. Entertainment was furnished by Pyramid Productions. The 1985 Junior-Senior Prom was a definite success!

PURPLE RAIN

PURPLE RAIN

I never meant to cause you any sorrow!
I never meant to cause you any pain,
I only wanted to one time see you laughing;
I only want to see you laughing in the purple rain.
Purple Rain, Purple Rain
I only wanted to see you bathing in the
purple rain.
I never wanted to be your weekend lover;
I only wanted to be some kind of friend.
Baby, I could never steal you from another;
It's such a shame our friendship had to end.
Purple Rain, Purple Rain
I only want to see you underneath the
purple rain.
Honey, I know times are changing;
It's time we all reach out for something new,
You say you want a leader;
But you can't seem to make up your mind,
I think you better close it;
And let me guide you to the purple rain.
Purple Rain, Purple Rain
Only want to see you in the purple rain.

(“THE YEARBOOK FAMILY”)

The 1985 Shield Staff consisted of thirteen dedicated workers. These members worked long and hard to produce the best possible yearbook for the student body. All through the year they were plagued with demanding deadlines, headaches and eyestrain. Even with all the labor of putting together a yearbook — the '84-'85 Shield Staff had lots of fun and laughs as “The Yearbook Family.”

Our first work project was Fingerprinting at Eastern Elementary and then selling face decals for football and basketball. For Thanksgiving and Christmas the group sent food and gifts to needy families in the area. In the spring, the Keyettes joined with the Pep Club in the Jump Rope A-thon for the Heart Association. The Keyettes ended the year with the traditional Mother-Daughter Banquet. It turned out to be a great year for everyone.

JR. HIGH ALL REGION AND WORKSHOP CHORUS

Several Giles Choral Students traveled to Graham High School and to Hillsville Intermediate School in November and December to try out for Senior and Junior High All-Region Choruses. Students were in grades 8-12 and actively enrolled in their school choral programs. All had to sing a prepared song a cappella for a panel of judges. The top scores were selected to participate in the All-Region Chorus Weekends that were held in February and March at Tazewell High and Pulaski Middle School. Twenty-two Giles Students were selected. Both Senior and Junior High Groups proved to be an excellent learning experience, and lots of fun for all involved!

CLASSES

G.H.S. PEOPLE

Seniors have finally reached the climatic point. Everything they have strived for, through the good times and bad, has finally come to an end, but also a new beginning. They now have to prepare themselves for their life after high school.

Juniors are going strong. They are now very adjusted and know the routine of the high school life. They have much determination and await anxiously for their final year of school.

Sophomores have made it half-way through high school now. While being at the midpoint, they can remember the past and only wonder what the future holds for them. The challenges and excitement of the next two years keep them in suspense.

Freshmen have now had one year experience. They have become accustomed to high school life. They have developed their individuality and are enjoying their freedom.

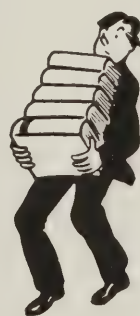

Eighth graders are in their first year of high school. They are slowly becoming adjusted to the many changes. It is difficult at first, but they are gradually learning and growing.

G.H.S. SENIORS?

WE ARE THE WORLD

There comes a time when we heed a certain call,
When the world must come together as one.
There are people dying and it's time to lend a hand to life,
The greatest gift of all.
We can't go on pretending day by day that someone, somewhere
will soon make a change.
We are all a part of God's great big family and the truth,
you know, love is all we need.

Sent them your heart so they'll know that someone cares and
their lives will be stronger and free.
As God has shown us by turning stone to bread, so we all
must lend a helping hand.

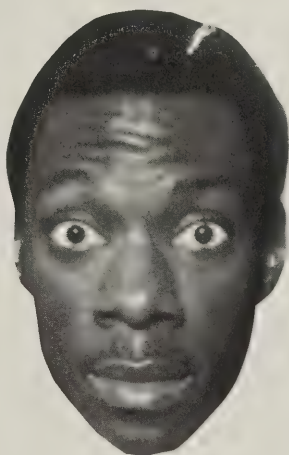

When you're down and out, there seems no hope at all,
but if we just believe, there's no way we can fall.
Let us realize that a change will only come when we
stand together as one.

Chorus: We are the world, we are the children,
we are the ones to make a brighter day,
so let's start giving.
There's a choice we're making,
we're saving our own lives,
it's true we make better days, just you and me.

Way Back When . . .

Or, Do You Know Any of These People?

THROUGH THE YEARS . . .

**... THE SPECIAL FRIENDS
THAT WERE MADE.**

(Autograph Pages)

As I look back through the years and remember all the good times and, of course, the bad, I can't help but wonder what the future holds for me. I'm sure I am not the only one who thinks this. The 1985 Senior Class has many adventures awaiting them. These can be exciting, as well as frightening, as they step out of high school into a new world. As each one of us grows another year older and watches another year pass us, we should try to appreciate each moment and live life to its fullest.

I would like to thank Mrs. Donna Johnston for all the cooperation and guidance she has shown me this past year. I would also like to thank each of the staff members, for without you the yearbook wouldn't have been completed.

In closing, we should realize that there comes a time when we all must say good-bye and go our own separate ways. I wish the best of luck to the Class of 1985.
